Ontario 20-260 *Caravan Porch Awning*

Ontario 20-260

Caravan Porch Awning

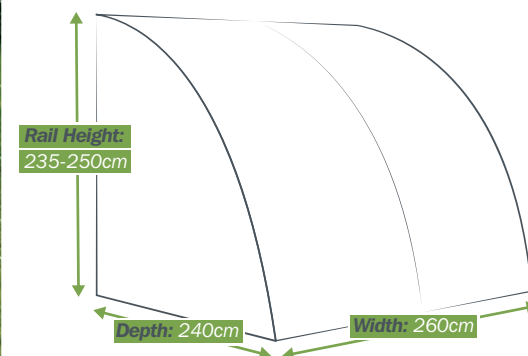

LWA30

Barcode: 5026637 670 695

This sturdy & practical porch awning is an upgraded model of our popular classic, the Ontario. The 20-260 features two large front windows just like the original Ontario, but this new model comes with protruding shades that shelter the mesh openings above the front windows. These mesh openings keep your awning well-ventilated.

There are also openings on both sides of this awning that each have zippable fly screens to let in fresh air while keeping insects at bay.

- Perfect for short and long getaways.
- Quick & easy to erect.
- Made from a durable waterproof fabric with 3000HH rating and has taped seams for added water protection.
- Easy-to-see hi-vis guy lines for support.
- Blinds on all windows for plenty of shade.
- Rear padded pole sleeves to help seal the gap between caravan and awning.
- Comes supplied in a carry bag for ease of storage and transportation.

Mirage 325 *Caravan Porch Awning*

Mirage 325

Caravan Porch Awning

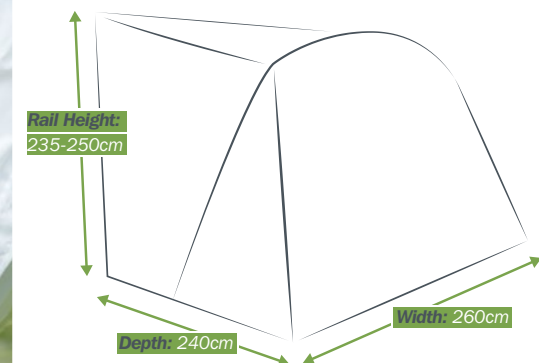

LWA31

Barcode: 5026637 670 718

The Mirage 325 is a single pole awning that is specially designed to be easy-to-erect. This awning gives you plenty of space to kick back, relax and enjoy some privacy as well.

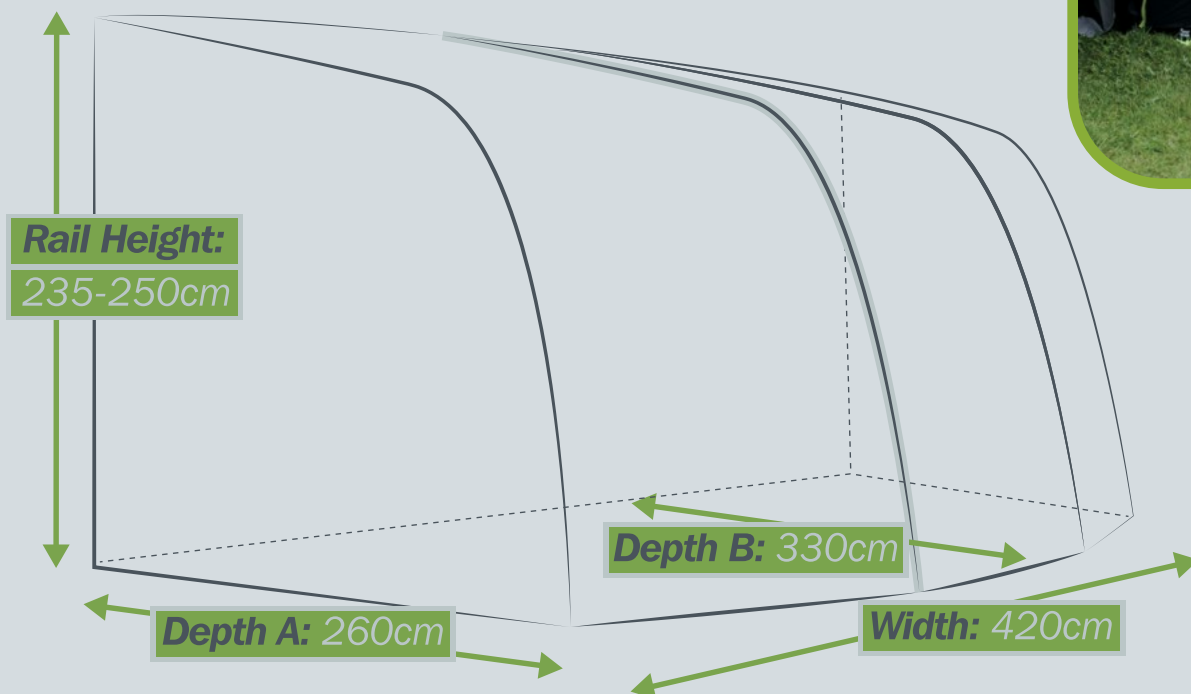

It has two side windows and a large front window, which can be converted to an entrance. Plus, each window comes with blinds so that you can control the amount of light that comes inside the awning.

- Includes easy-to-see & adjustable hi-vis guy lines.
- The awning flysheet is made from a high-quality waterproof fabric that has a 3000HH rating.
- Taped seams for added water protection.
- Supplied in a carry bag for easy storage and transportation.
- Fly screens on either side to keep the awning well-ventilated and keep insects at bay.

Skyliner 420 *Caravan Air Awning*

Skyliner 420 *Caravan Air Awning*

AWNING CATALOGUE 2021/2022

Skyliner 420

Caravan Air Awning

LWA32

Barcode: 5026637 670 664

The Leisurewise Skyliner is a spacious and luxurious air awning. It provides you with ample space for tables and chairs and for getting friends and family together. Plus, this awning gives you plenty of room for storage and it can also act as an additional sleeping area at night.

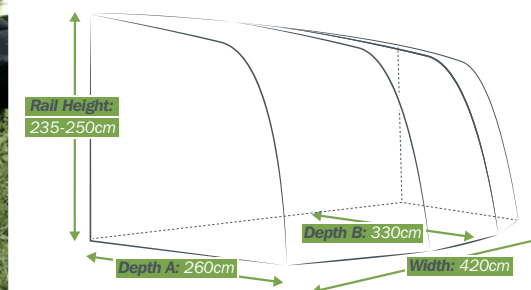

This awning is immaculately designed and features 5 zippable doors, giving you flexibility to create doorways to suit.

The Skyliner erects in a matter of seconds. Just inflate the awning via one of the inflation points and peg it into place.

This awning can also be converted into a sunshade by simply removing all the door/wall panels. Perfect for those warm and balmy summer days.

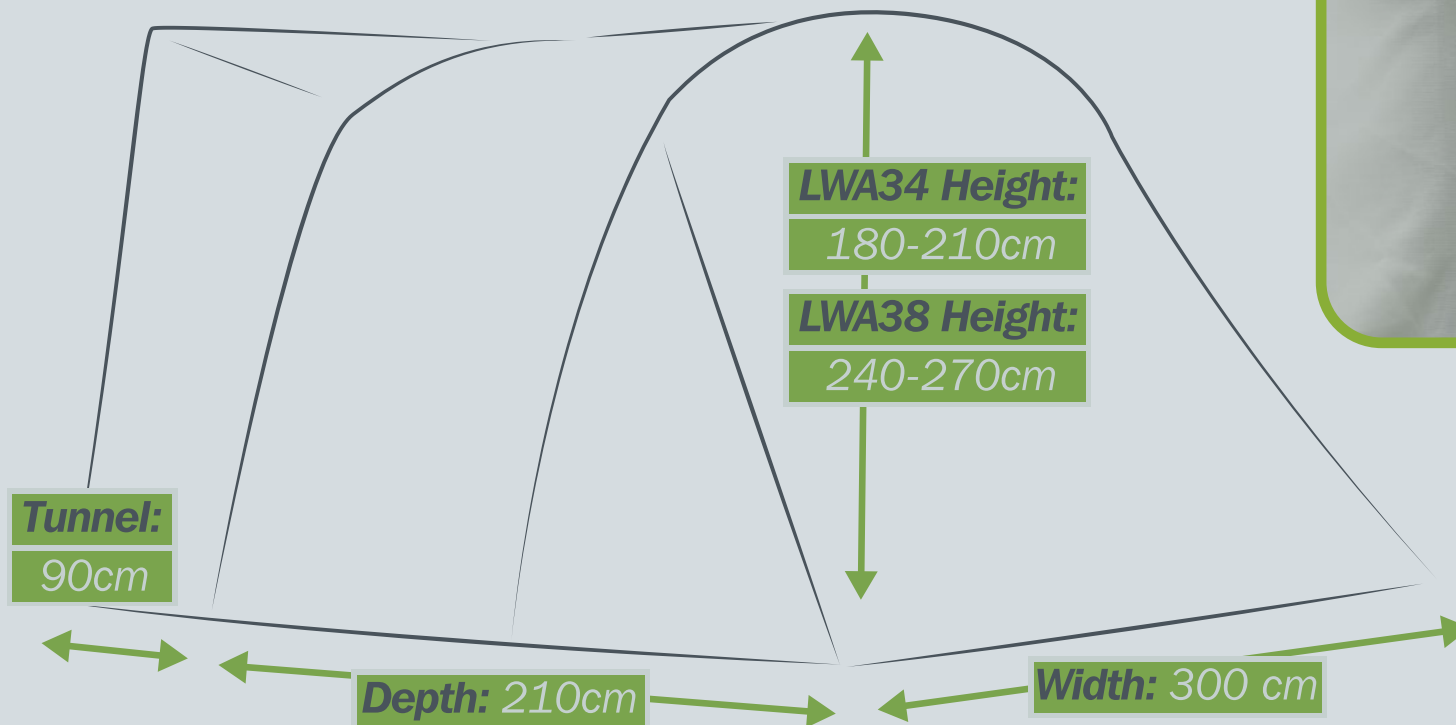

- A spacious and luxurious air awning.
- Single point inflation for easy assembly.
- Large windows on each side for letting plenty of sunlight in and for providing multi-aspect views.
- Flyscreens on each side door for ventilation and keeping insects at bay.
- Supported by adjustable hi-vis guy lines.
- Sky lights on each of the three roof panels.
- Made from 3000HH rated waterproof material with taped seams for added water protection.

Gemini 320 *Drive Away Air Awnings*

Gemini 320

Drive Away Air Awnings

LWA34 (Campervan)

Barcode: 5026637 670 732

LWA38 (Motorhome)

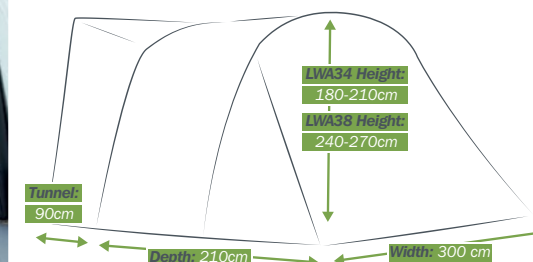

Barcode: 5026637 671 418

This Gemini 320 Drive Away Air Awning comes in two different models. The low height model is suitable for campervan owners and the high height model is suitable for motorhome users.

The Gemini 320 easily attaches to your vehicle, giving you extra space that you can use as you like. When you detach this awning, it can also act as a standalone awning. This is perfect for when you're setting up for a few days and you want to explore during the day.

This drive away awning is incredibly spacious on the inside and comes with openings on each of the three sides that each have zippable mesh screens for plenty of ventilation. The tunnel section also has doors on either side.

- Comes with inflatable poles and beams that provide stability and support.
- Supported by adjustable hi-vis guy lines.
- Made from a waterproof fabric with a 3000HH rating.
- Foldable mud wall
- Built-in groundsheet to provide protection from wet/moist ground.

Mercury 350 *Drive Away Awnings*

Mercury 350

Drive Away Awnings

LWA35 (Campervan)

Barcode: 5026637 670 749

LWA39 (Motorhome)

Barcode: 5026637 671 425

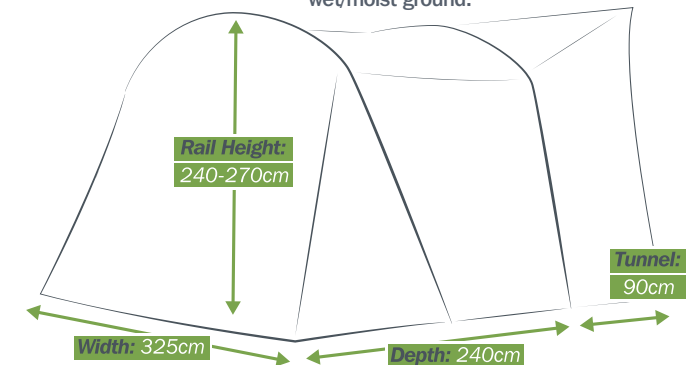

This Mercury 350 drive away awning is a pole awning that is easy-to-erect. This driveway awning has two sections; the tunnel section that is separated by a large zip door which provides privacy and storage space, and the main awning section which lets in plenty of sunlight through its large windows.

The main awning section has a large front door and two side doors. The two side doors have zippable fly screens providing ample ventilation and for keeping unwanted insects at bay. The tunnel section also has doors on either side.

This driveway awning easily attaches to your campervan/ motorhome. It also acts as a standalone awning, which gives you the option to leave your site in your campervan/ motorhome to go exploring during the day.

- Supported by easy-to-see hi-vis guy lines.
- Made from a waterproof fabric with 3000HH rating.
- Each window comes with blinds.
- Taped seams for extra strength.
- Foldable mud wall.
- Built-in groundsheet to provide protection from wet/moist ground.

Baywatch 355 *Porch Air Awning*

Baywatch 355

Porch Air Awning

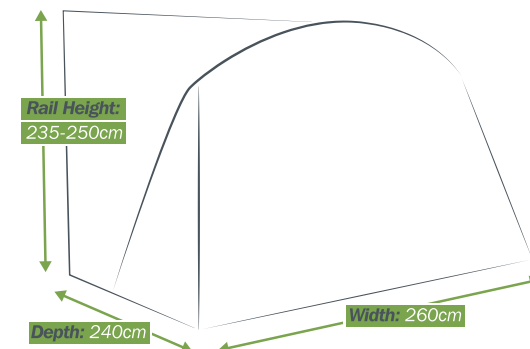

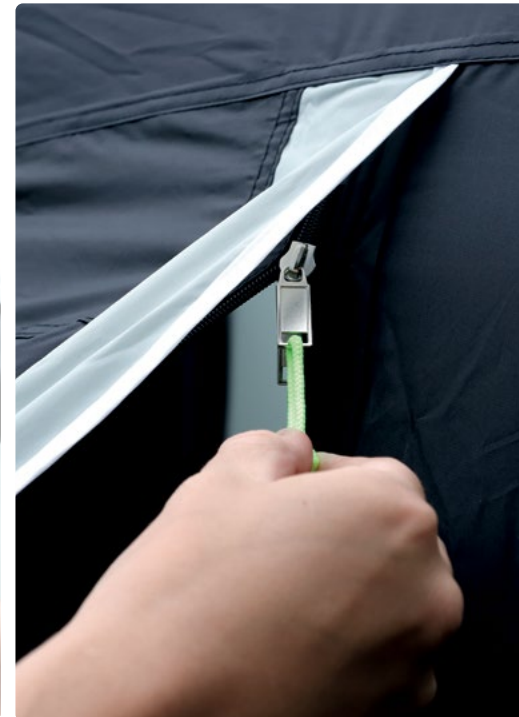

LWA36

Barcode: 5026637 670 701

The Baywatch 355 is a stylish caravan air awning that is perfect for both weekend and long breaks. This air awning comes with inflatable air poles and beams that supports the awning at the front, and steel poles for keeping the awning in place at the rear. These rear poles help to seal the gap between the awning and the caravan, keeping drafts to a minimum.

This awning features a large opening at the front as well as two zippable side doors that each come with a fly screen for providing plenty of ventilation while keeping insects at bay.

- Provides you with plenty of space for you to relax.
- Easy-to-see hi-vis guy lines.
- Comes supplied with a handy carry bag for easy transporting and storing the awning.
- Made from a durable waterproof material with a 3000HH rating.
- The awning fabric has taped seams for added water protection.
- Side windows on either side for plenty of sunlight.

Pro Mallet

LWACC522 5026637 662 034

Features: The Leisurewize Pro Mallet is an ergonomically designed rubber weighted mallet, designed to help securely peg down your tent or caravan awning. Also features a non-slip curved handle and peg puller.

Peg and Mallet Kit

LWACC430 5026637 657 252

Features: This 33 piece tent peg box kit is ideal for tents, gazebos, football nets, netting, groundsheets, awnings and outdoor camping. Includes: 10 x Plastic Pegs, 10 x Heavy Duty Pegs, 12 x Groundsheet Pegs. Supplied in a handy carry box. Incorporating a peg cleaning brush.

Frame Mate

LWACC52 5026637 627 910

Features: Can be attached in seconds. Simply place the stop block against the shoulder of the frame clamp and squeeze the trigger. Can be used on steel-alloy or carbon frames. Lightweight robust composite construction. Attaches in seconds and simple to use. Assists in getting your awning fabric taut and getting your awning frame tensioned. Suits awning frame poles from 22mm to 25mm.

Peg Mate

LWACC53 5026637 627 927

Features: The Peg Mate is an extendable tent peg puller tool enabling easy removal of tent pegs without bending or kneeling when extracting firmly stuck pegs. For use with tents and awnings, the Peg Mate peg remover extends telescopically. The large hand grip makes pulling up even the most stubborn of pegs easy.

All of our peg sets are supplied in hard wearing water resistant plastic boxes with locking clips for storage and transport purposes.

30pc Pile Driver Rock Pegs

LW630 5026637 669 699

Features: 30 piece Rock Pegs are extremely tough. Suitable for hard ground with corkscrew shaft for extra grip. Suitable for both tents and awnings.
